Another puzzle from Lisa

Here's an alphabet maze containing one of the most famous phrases of Lincoln's, from his Gettysburg Address: "... Government of the people, by the people, for the people, shall not perish from the earth ...". All those words are in the maze, in that order. Start at the upper right-hand corner and work across, down, forwards or backwards, until you reach the center. Never go diagonally. The solution is relatively simple, but there are a few tricky places. Good Luck!!
